

THE RMC RESEARCH & EDUCATION
FOUNDATION IS PROUD TO ANNOUNCE
ESTABLISHMENT OF

THE ROBERT P. TURNER CENTER FOR PROFESSIONAL EXCELLENCE

Robert P. Turner was instrumental in the development of the RMC Research & Education Foundation as a lasting industry resource for research and education. He was a passionate supporter of the Foundation, NRMCA and the ready mixed concrete industry overall.

Upon his passing on July 14, 2021, Bob's wife Carol graciously designated the RMC Research & Education Foundation as the vehicle for memorial contributions in his honor.

Bob was a wonderful mentor to so many in this industry. He believed strongly in recruiting, cultivating and investing in good people. It is in that spirit that the RMC Research & Education Foundation's Board of Trustees has established the **Robert P. Turner Center for Professional Excellence** within the RMC Research & Education Foundation.

Recognizing Bob's legacy, and that workforce development resources for the industry are more important than ever, the Board is directing funds donated in Bob's memory into an endowed fund specifically for education and recruitment. By creating this designated fund, the Foundation is further memorializing Bob's contributions and legacy to the ready mixed concrete industry and aligning them specifically with the education part of the Foundation's mission.

If you have already made a donation in Bob's memory, your contribution will automatically be directed to the segregated fund unless you specify otherwise. To make a new contribution to **The Robert P. Turner Center for Professional Excellence**, please complete the form on the reverse side, or visit www.rmc-foundation.org/contribute and designate in the notes that your contribution is in memory of Robert P. Turner.
