### **MIT Concrete Sustainability Hub Releases 2021 Annual Report**

The [MIT Concrete Sustainability Hub](#) (CSHub) has released its Annual Report for 2021. The report outlines the CSHub's research, implementation and communications activities toward the goals of realizing carbon neutrality, building world-class infrastructure with finite resources, and creating cities resilient to the stresses of climate change. The report is available for viewing and download [here](#). The MIT CSHub was co-founded by the [RMC Research & Education Foundation](#) and [Portland Cement Association](#) and is an industry-academic collaboration.

For more information on the work of the MIT CSHub or RMC Research & Education Foundation, contact the Foundation's Executive Director [Julie Garbini](#).
